The Logo symbolizes the Congregation of Jesus as “Pilgrims of Hope” — a Congregation on a continuous, grace-filled Journey of Faith. It reflects our mission to walk with those entrusted to us, rooted in Communion, Participation, and Service. Our Pilgrimage is not static, but a bold movement from the known to the unknown, sustained by Hope. Guided by our Foundress, Mary Ward, we step away from familiar shores into the deep, trusting Christ Our Lord at the Helm. Though the Boat appears fragile, it holds the strength of His Presence, steady amid life’s winds and waves. Above, the Holy Spirit illuminates our Path with wisdom and grace. At its Heart, this Logo witnesses to a courageous and compassionate Journey - reimagining our mission in today’s world, together, as Companions in mission, in Faith, Hope, and Love
